Do you want a country park at CGV?

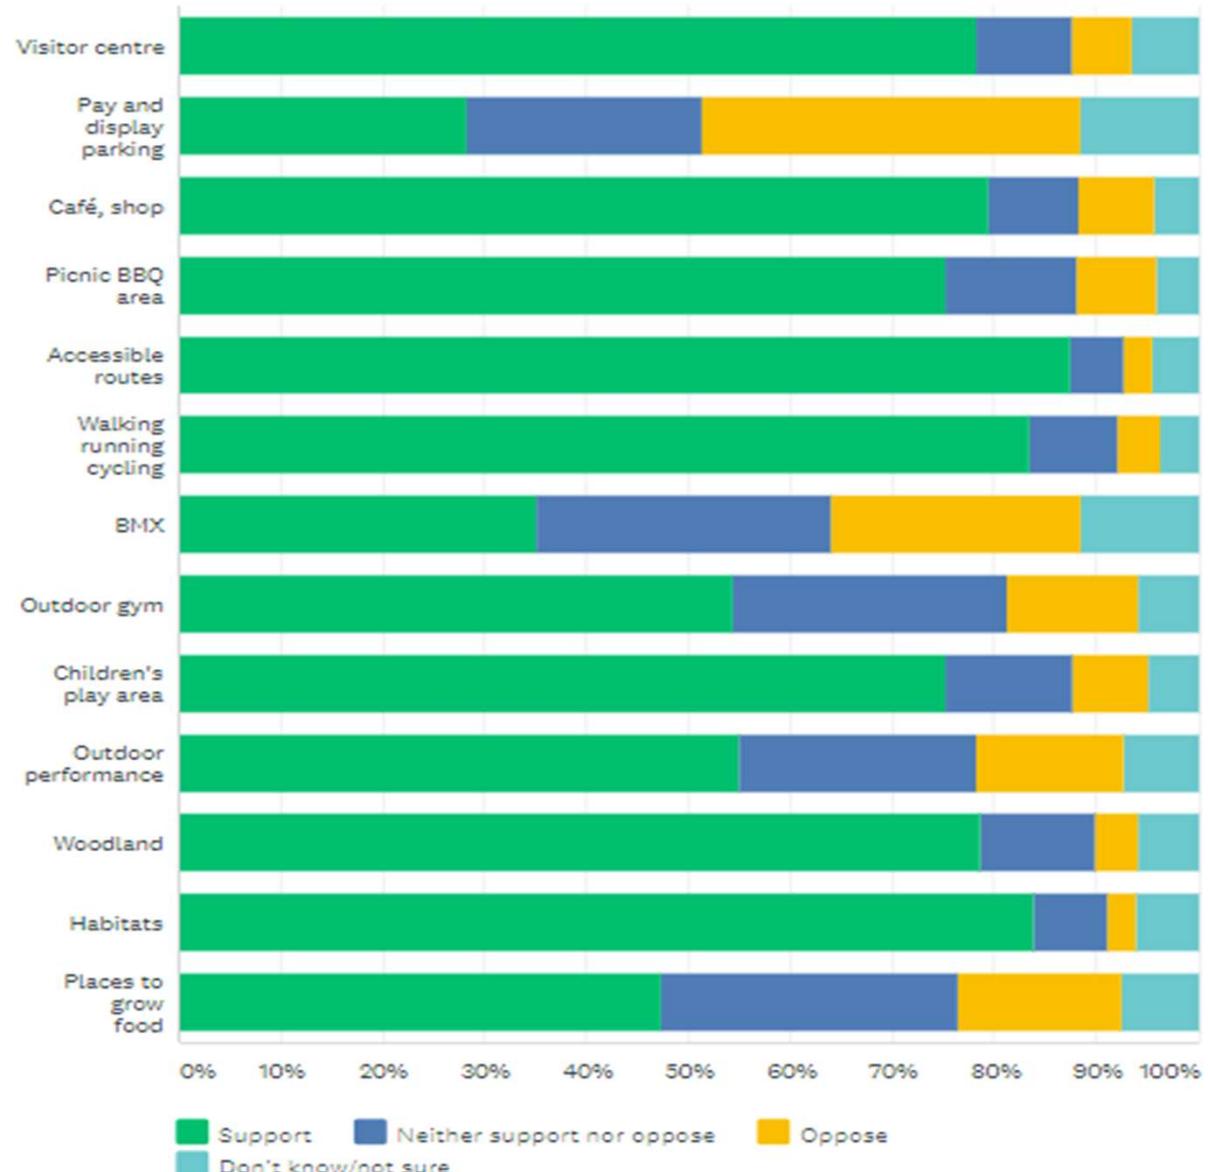

Why do you visit country parks?

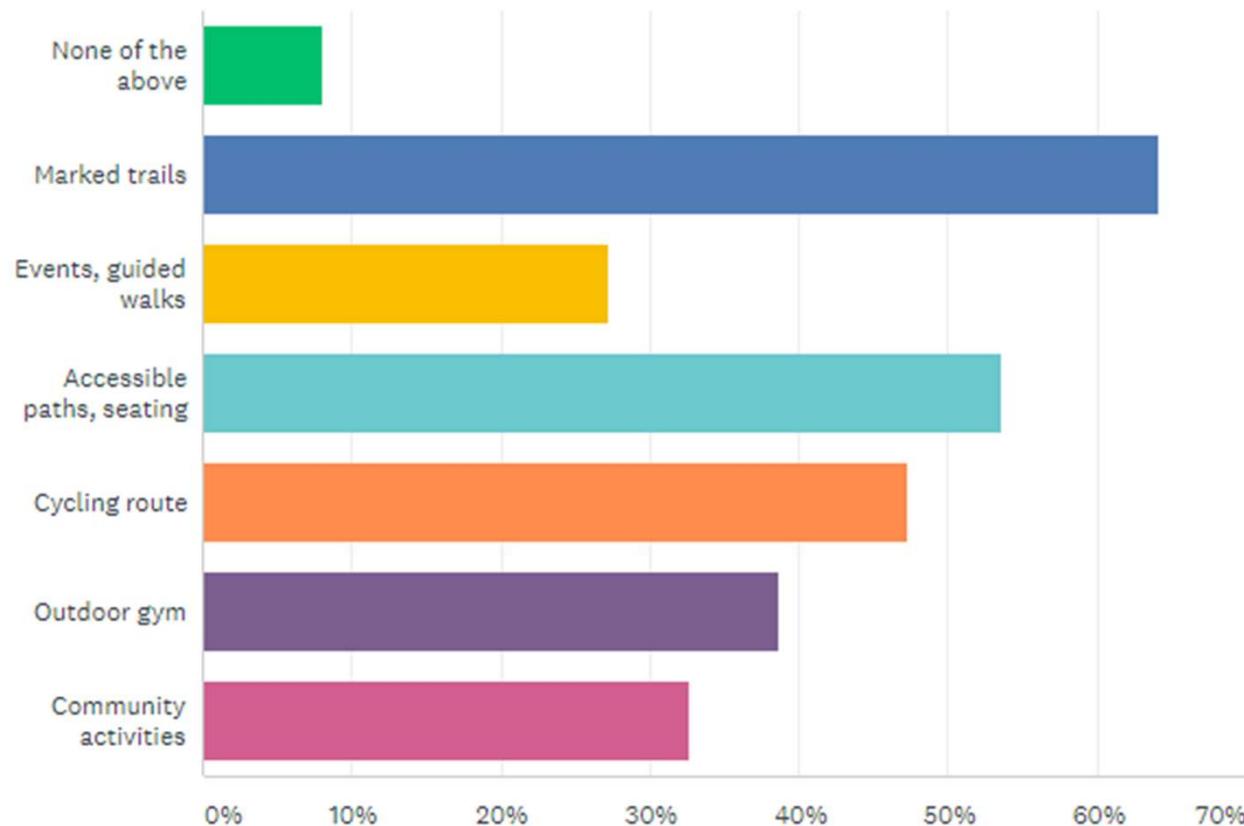

Other reasons: nature, accessible routes, peace & quiet, football, trampoline park, birthdays, skate park, cubs & brownies, fair, fun, natural art, seeing other people, volunteering, water sports, fishing, fresh air, foraging, photography... rather use the actual countryside

Do you support or oppose these facilities?

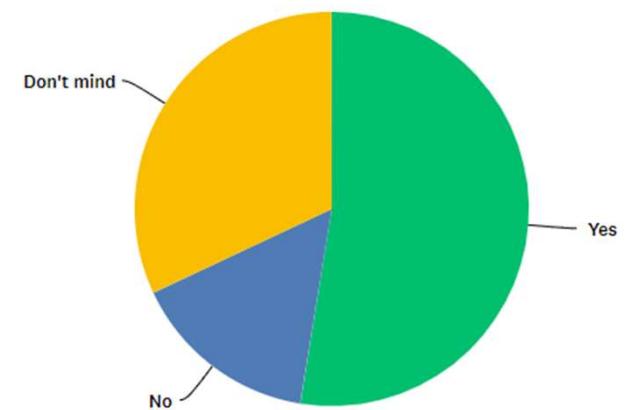

Other suggestions: historic landscape, paddling, dog park, bird hide, bridleway, free parking, pitch & putt, garden centre, bus stop, village hall, boating, park run, football, community/sensory garden, live performance, art & sculpture, woodland, roller skating, seesaw, death slide, basketball, study space, tennis, ice skating, water park, camping, petting zoo, renewable energy, market stalls, toilets and bins...

Which activities would help you keep fit?

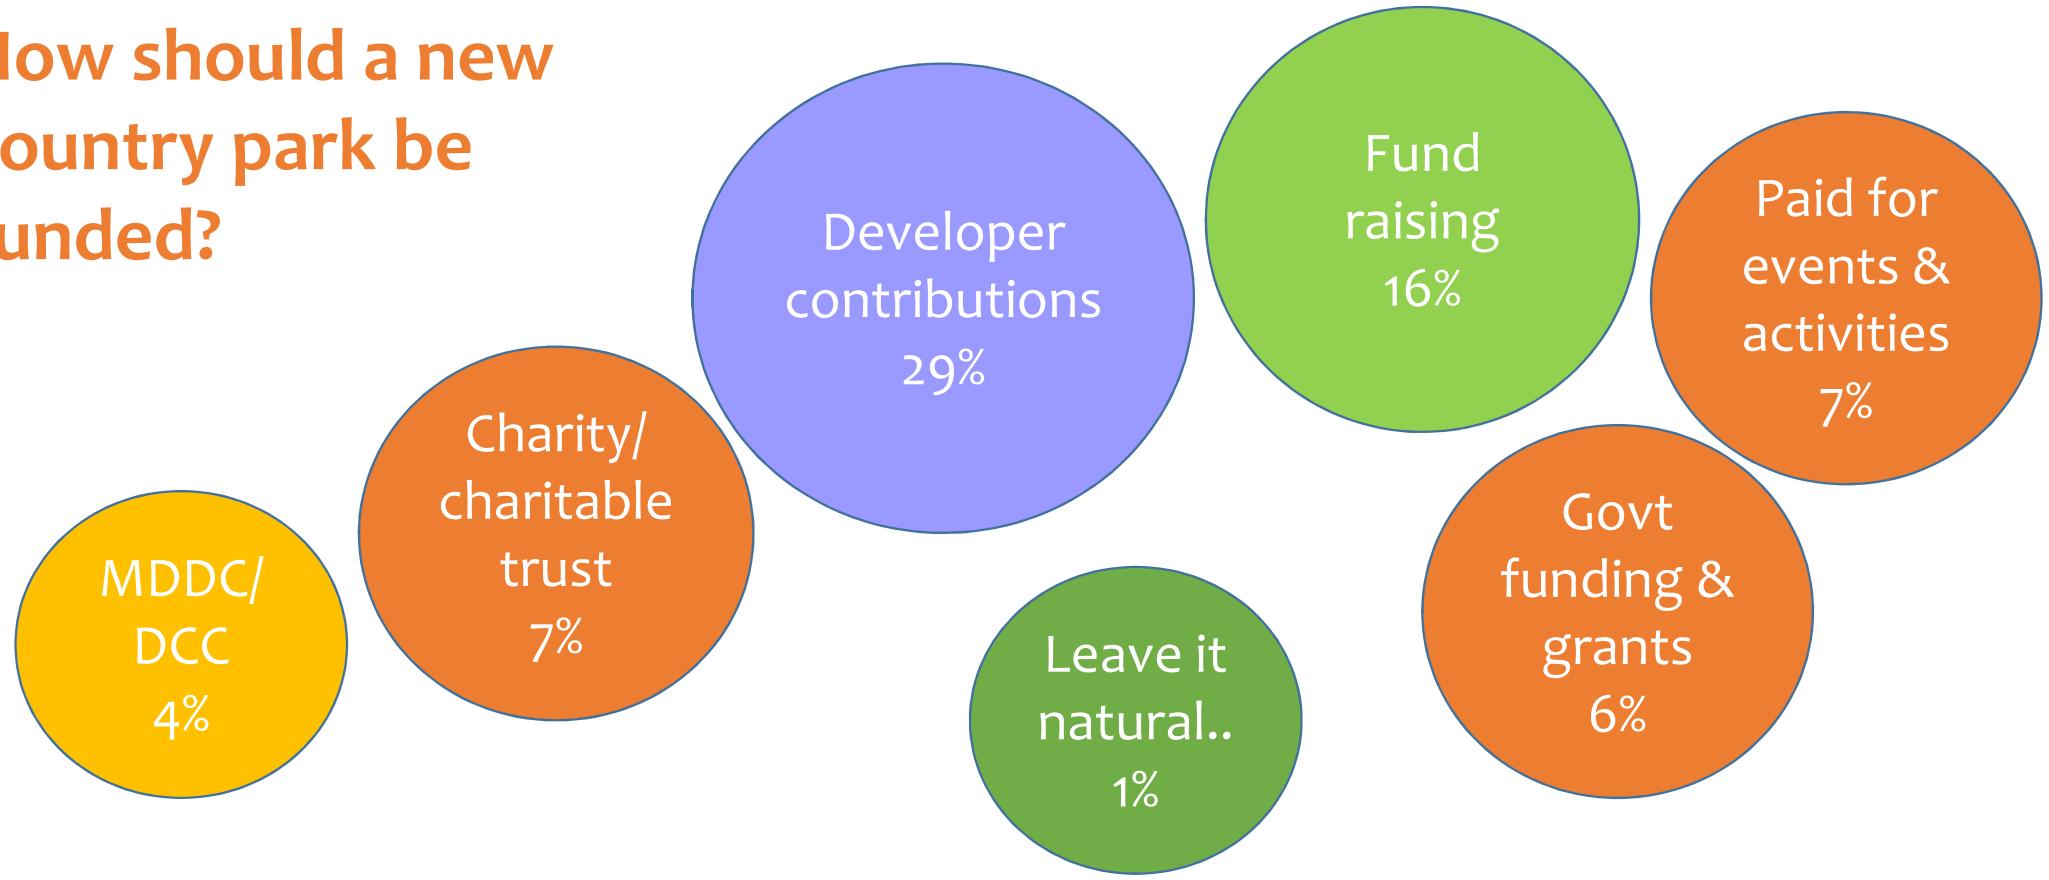

Would you be happy if it included livestock?

Other suggestions: bridleways, football, keep it natural, swimming, running track, sensory trail, bike locks, trees, tree top trail, dog friendly area, dog free area, lots of space...

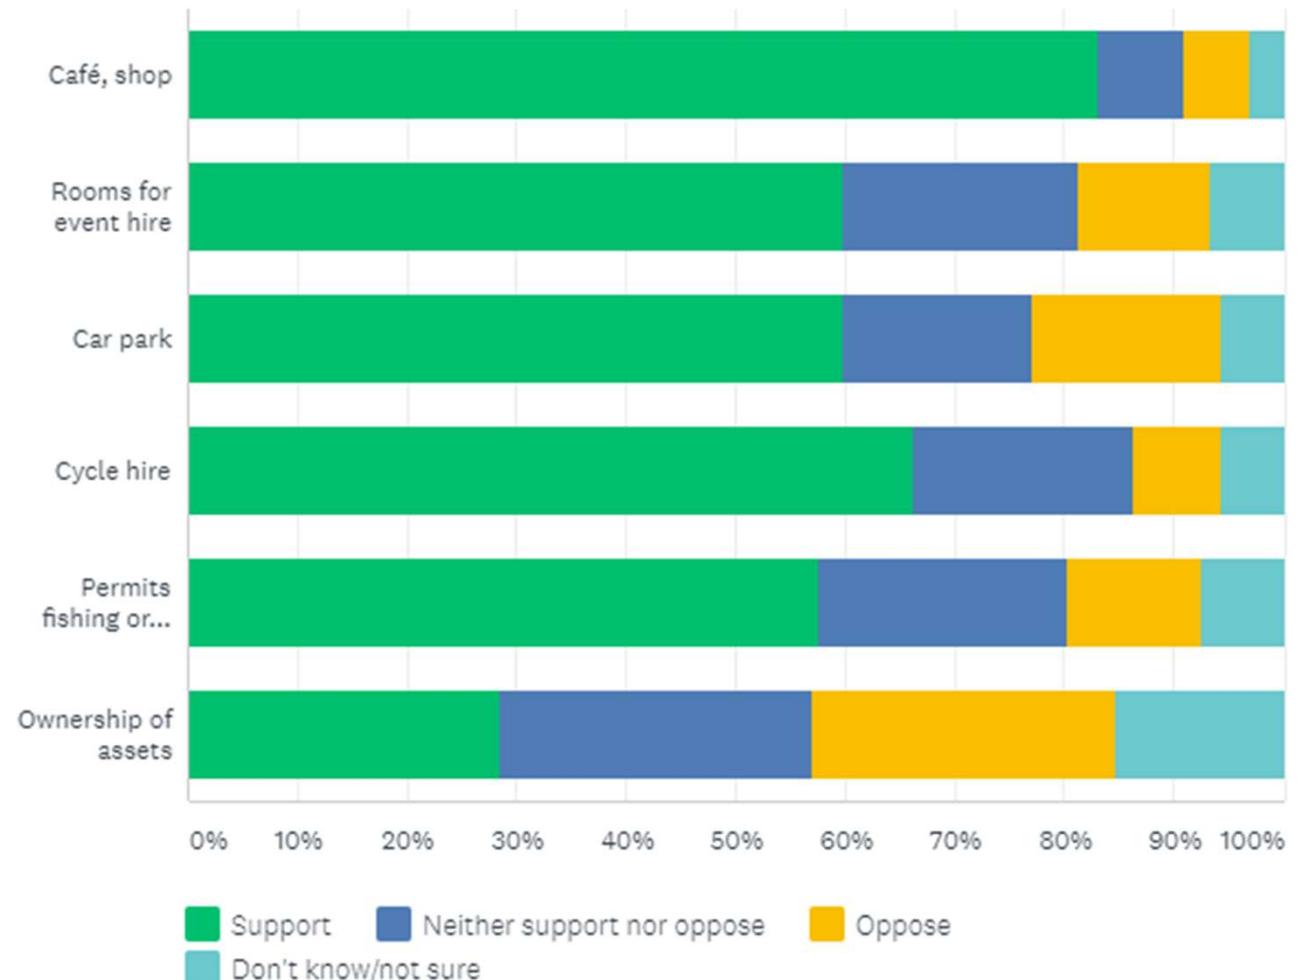

How should a new country park be funded?

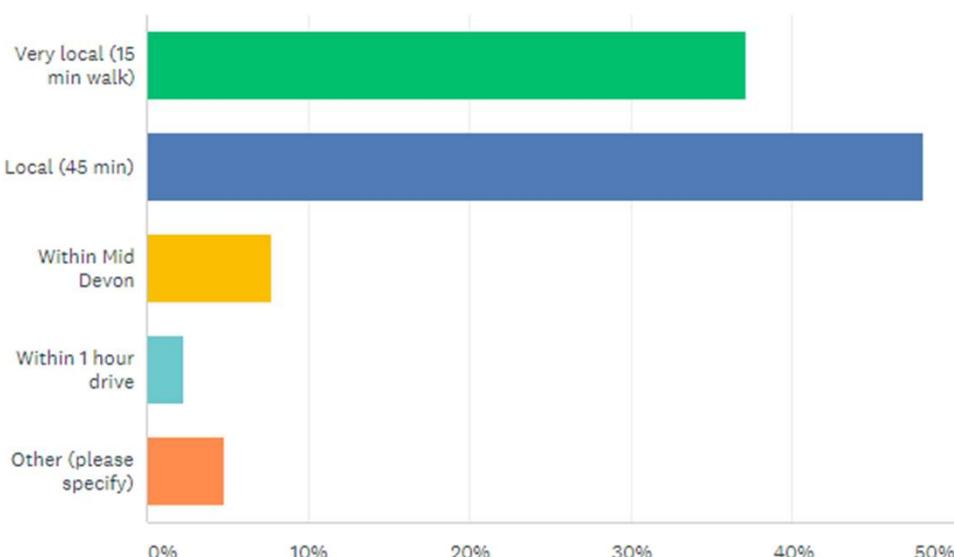

Other suggestions: café, car parking, sponsorship, donations, energy generation, event space, entrance fees, memberships, permits, lottery, residents' management fees, shops, bike hire, market, landfill & other grants, crowd funding, camping, business contributions...

Do you support or oppose these revenue generating ideas?

Other suggestions:
motorhome site, increase
in Council tax, rare breeds,
beavers, sustainable crops,
energy generation,
membership, charity, eco
tourism, dog walking area,
residents' fund, outdoor
events, fund raising,
corporate support, crazy
golf...

How far do you live from the country park?

How would you prefer to travel there?
